Re: *Annette DiBenedetto v. Harman International Industries, Inc.*
Docket No: 22-CV-02029 (PGG)

Dear Judge Gardephe:

We represent the Plaintiff in connection with the matter referenced above and submit this letter motion jointly with counsel for Defendant to request that the time for submitting a proposed Case Management Plan and pre-trial conference be temporarily stayed until after mediation, if the matter is not resolved. The parties have been referred to mediation and the mediator has already reached out and requested a pre-mediation zoom conference for June 8th. We expect that a date for mediation will be scheduled during that conference.

The parties request that the Court allow them to notify Your Honor within 48 hours following the mediation if it is not successful. At that time, the parties will request that the Court schedule a date for the submission of Case Management Plan and a date for a pre-trial conference.

This is the first request to extend the time for submitting a Case Management Plan and for an initial pre-trial conference.

We thank the Court of its consideration of this application.

Respectfully yours,

DAVIDA S. PERRY

SO ORDERED.
